**PRO BONO PROGRAM ON THE PROVISION OF LEGAL
ADVICE TO YOUNG IT SPECIALISTS**

EFRIM ROȘCA ASOCIAȚII

WHAT AND WHY?

The Law Firm "EFRIM, ROȘCA and Associates" (ERA) is pleased to announce the launch of the Program on Pro Bono provision of legal advice to young specialists initiating their business projects in the IT domain – Legal Tech Start-Up.

ERA is launching the Legal Tech Start-Up Program being confident of the fact that it is fully able to support the community of young entrepreneurs in the Republic of Moldova. Given that IT business phenomenon is at its beginnings and the technologies are far more advanced than the legal framework, ERA would like to contribute to the development of start-up industry in the field of IT.

What legal form of organization is most appropriate for my start-up? What tax regime is applicable for me? How shall I distribute the ownership roles? What shall I do if I get the financing? How to protect my business idea? – these are just few of the questions to which the beneficiaries of our Program will get exact answers, in order to diminish any possible legal risks.

EFRIM ROȘCA ASOCIAȚII

FOR WHOM?

The Program is open to all interested and dedicated youngsters willing to be the voice of a change in the IT industry of the Republic of Moldova.

The following people are considered to be eligible provided they cumulatively meet the following requirements:

- are citizens of the Republic of Moldova;
- are aged between 18 and 35;
- have an idea of an innovative product (goods or services) in the IT business sector;
- are decided to evolve from the idea to the establishment of a business company;
- submit an application on their enrolment into the Program.

The program is also open to youngsters who have already launched a start-up, provided it is in the IT business sector and lasts for no more than 6 months.

EFRIM ROȘCA ASOCIAȚII

WHEN?

The Program will run for a period of 6 months, starting with 6 September 2017. The applications may be submitted throughout the Program.

HOW?

Persons interested to apply for the participation in the Program shall submit a paper based written application (free form) at the headquarters of ERA or may send it via email to the following address: probono@era.md.

Benefits:

The youngsters accepted in the Program will benefit from the following types of legal consultancy and assistance:

- related to the registration of their start-ups;
- while developing the documents on the establishment and functioning of their enterprise;
- with a view to improve the existing documents;
- with a view to obtain licenses, authorizations and other permits from state institutions;
- related to tax regimes, applicable tax facilities and VAT issues;
- while drafting template contracts,
- related to the process of negotiation and signing of legal acts.

ERA will not represent the beneficiaries in the courts of law in case of litigations.
